Grades 'S' to 'E' and 'P' indicate successful completion of course.
Courses with grade 'I', 'P' or 'F' do not count towards GPA or CGPA calculation.

For award of Degree, the student has to earn the minimum credits mentioned under the "Total" and also satisfy the category-wise credit requirement as per CGPA summary table in the front page.

$$GPA = \frac{\Sigma_i\,(C_i \times GP)}{\Sigma_i\,C_i}$$

where C_i = credit of the course

GP = Grade point based on the letter grade obtained for the course

$\Sigma_i\,C_i$ = the sum of credits of all courses taken in that term, including those in which the learner has secured U / W grades.

For the cumulative grade point average (CGPA), a similar formula is used where the sum $\Sigma_i\,C_i$ is the sum of credits of all courses taken in all the terms successfully completed up to that point in time.

The medium of instruction is English at this Institute

Note: No class or Division is awarded at this Institute. However, Senate has approved the formula
PERCENTAGE = 10 × (CGPA) for converting CGPA to percentage
